Hi Kristi,

As you can see, I've landed at the Locke Foundation. I hope you're doing well and that the first year in the governor's office has been a good one for you.

Could you provide communications involving the governor's office or OSBM related to the Atlantic Coast Pipeline since January 1, 2018, in particular, those related to the Memorandum of Understanding and Escrow Account announced Friday? If it looks like a daunting project, we can work together to reduce the number of people to include.

Thank you,
Joe
